Subject: Requests for Protection for hearing dates in Docket No. 2020-125-E - DESC rate case

To the Parties:

So far, the Commission has received the following requests for protection for various days during the hearing schedule for the DESC Rate Case:

- a. Dominion states that witnesses Mr. Parker and Mr. Whiteley will not be available to testify on January 8, 2021. If these witnesses have not testified by January 8, 2021, then DESC will be prepared to call them to testify on January 11, 2021;
- b. The Department of Defense states that witness Dr. Zhen Zhu's teaching schedule conflicts with the hearing dates scheduled for January 12, 2021 and January 14, 2021. If possible, DOD requests protection for Dr. Zhu from testifying on those dates;
- c. The Department of Consumer Affairs notes that witness David E. Dismukes has a conflict for January 13, 2021, and the Department requests protection for Mr. Dismukes from testifying on that date.

If any party has any objections to these requests for protection, please let me know. In addition, if further requests for protection are filed, and any party objects, I would appreciate that party letting me know.

Thanks in advance for your consideration in this matter.

Alex:
 I believe Randy Erskine is on annual leave tomorrow and although he can answer, I believe he was planning on testing for those who requested it on Monday. I do not know when Monday exactly it would be, but you may want to contact him on Monday or email him again directly.
 Thanks

ORS would respectfully request IT testing prior to the hearing for ORS witnesses Garrett and Woolridge. If testing is available tomorrow (12/31) afternoon that would be great, but ORS will work to be available whenever Mr. Erskine is available.

Thank you,
